About The Institute

Modern College of Professional Studies is located in the Anand Industrial estate, Mohan Nagar of the Ghaziabad District of Uttar Pradesh. It is a co-education college affiliated to the Chaudhary Charan Singh University, Meerut.

The College came into existence in 2003 through the initiative taken by a group of eminent academicians and social activists who recognized the importance of higher education in the development of the State.

MCPS is committed to empowering youth to think independently, to understand the complexities and challenges of today's life and transform them into opportunities, to set benchmarks for others and finally to epitomize the change they seek to bring in the world and like torchbearers, lead it towards a brighter future. Upholding the noble traditions were laid down by the founders, the institution surges ahead towards excellence.

About National Conference

National Conference on IoT: An Era of Digitalization (IoT-EoD-2017), aims at promoting high quality research by bringing together community of researchers and practitioners from academia and industry. It is a forum to communicate and discuss various research findings and innovations in digitalization and IoT. These emerging areas provide great scope for research and will help to address several challenges in future. This conference will provide opportunities for the researchers to exchange innovative ideas and establish research relations worldwide. The

Conference Proceeding

Selected papers will be published in international peer reviewed journal with ISSN number.
Awards and Prizes:
Authors of best three papers will be honored with a Certificate.

technical sessions of the conference will consist of key-note addresses and original contributory papers reporting theoretical and experimental research, development, design, testing in two tracks namely Internet of Things (IOT) and Digitalization.

Internet of Things: Pervasive connectivity, smart devices and demand for data testify to an Internet of Things that will continue to grow by leaps and bounds. Instrumenting and connecting devices has massive potential to deliver value, but there is need for a coordinated effort when rolling out the next generation of self-reporting paradigms. This conference aims at bringing together researchers to share, discuss and witness cutting edge research in all areas of development on IoT.

Theme of Seminar

Internet of Things: An Era of Digitalization

Sub Themes of Seminar

Computer Science and Information Technology:
- Computer networks
- Cloud Computing
- Network Routing Protocols
- Wireless sensor Network
- Cyber Security

Business Administration:
- Supply Chain Management
- Advertising Management
- H.R. Revaluation
- Quality Management
- Economics

Education:
- Teacher Efficacy
- Inclusive/Special Education
- Higher Education
- Expansion of Teacher Education
- Equity and Equality
- Non-Formal Education

Law:
- Role of Internet in Legal Practice
- Cyber Crime
- Online Dispute Resolution
- E-Commerce in Consumer Protection
- Internet & Privacy Issue

Guidelines for Paper Presenters:

Contributors should note the following:

All submissions should be made in MS Word format.

The manuscript should not exceed 4,500 words (About 15 A-4 pages typed in double space).

The cover page should bear only the title of the paper, name/s of author/s, their official address. E-mail ID, phone/fax no., and acknowledgement (if any).

The first page of manuscript (after the cover page) should contain the title and the abstract only.

Footnote should be kept to a minimum and be numbered consecutively throughout the text with superscript Arabic numerals.

Lastly papers which focus on the conference theme would be given top priority in the selection process.

Guidelines for Abstract

The Abstract should not exceed 500 words and should include:

* Title
* Background
* Objectives
* Methodology
* Work done
* Findings/Results
* List of references

The Contributor(s) should kindly provide their name/s, affiliation, mailing address, e-mail and phone number along with the abstract.

Review Process

The manuscript will be subjected to a critical review. The decision of the reviewers will be final and binding in all respect.
